POST DETAILS

Additional Information:

This post is to recruit 2 Graduate and/or PME students for our summer programme. As the guidance indicates – “Schools can recruit up to two student teachers from the 3rd week in May 2024 (or on completion of exams) until the end of the school based summer programme. This will allow student teachers to gain valuable relevant experience in a special education setting and will assist special schools during a very busy period in their school year. It will also assist with familiarisation and preparation leading into a summer programme.”

The School Based Summer Programme (SBSP) will be running from Monday 1st July to Friday 12th July for four hours per day.

Abacas Special School is a special school for pupils aged 4-18 years of age with a diagnosis of Autism and complex needs. Pupils are grouped in classrooms of 6 and have access to 4 SNAs per class. Abacas is evidence based and implements individualised educational and behavioural programmes for all pupils. Abacas follows the primary school curriculum and has also adopted the L1LP and L2LP Junior Cycle curriculum for pupils of secondary school age.
