POST DETAILS

Title: Educational Officer

Description: The Webwise Education Officer will assist in the development, delivery, and support of training and development programmes for teachers, parents and those who work closely with children. They will be involved in promoting safer more effective use of the internet by children through the development of a wide range of educational and awareness raising resources. They will also be expected to provide full administrative support on the Webwise internet safety awareness initiative of Professional Development Service for Teachers (PDST). This includes the provision of pedagogical, technical, project management and communications support. We believe that young people are critical participants in the development of programs which affect them. We strive to include their voice in our development process. The Webwise education officer will facilitate the work of our youth advisory panel and assist in the development of educational resources.
