Additional Information:

The successful candidate will work out the remainder of the 2017-2018 school year as class teacher in one of our school's two special classes for children with Autism. In his/her class, the teacher will have 6 pupils with various autism profiles ("mild" / "moderate" functioning and needs etc.) The teacher will work with 2 SNAs based in the class to help the children work through their individual educational plans etc. An interest and some experience of special needs / Autism specific education will therefore of course be an advantage.
