Maths Teacher in Sweden

##### Cur sÃ©os:

Internationella Engelska Skolan is now recruiting the very best teachers to start in early August 2018. We are seeking a qualified Maths teacher to join our fantastic working environment.

Internationella Engelska Skolan (IES) is a highly successful school group in Sweden with students receiving high grades and a diverse and energetic staff. We have around 24,000 students enrolled in our 34 schools across the country with approximately 2,500 members of staff. IES is non-selective and students do not pay fees to attend school. Our schools follow the Swedish curriculum and are bilingual with 50% of teaching in Swedish and 50% in English, with Maths taught in English.

IES provides an international and stimulating environment, where commitment, professionalism and the English language are common denominators. We work in an environment where teachers can teach and students can learn.

More about the company and its schools can be found at [www.engelska.se](http://www.engelska.se)

Applicants will be interviewed for vacancies across all of our schools in Sweden. There may be other positions available, so please do submit an enquiry, even if your teaching subject is not listed.

To apply, please email your C.V and a cover letter, describing why you are interested in working in Sweden, to [recruitment@engelska.se](mailto:recruitment@engelska.se) by March 12th with the reference DUB18.

Suitable candidates will be contacted for interviews to be held in Dublin March 26th - 27th.
