Available Subs

Job Seekers with availability and relevant experience will be displayed in the 'Available Subs' results. The Job Seekers who best match your search criteria will be displayed at the top of the list. These Job Seekers may have relevant availability or qualifications at the chosen level, or have experience teaching your chosen subjects.

If you search for a post primary level substitute teacher, any available subs will show under 'Post-Primary'. Substitute teachers that are qualified at primary level and choose to substitute at post primary level will show under 'Primary' as per the below image.

Job Seekers who select 'I am willing to sub for ANY subject' on their Sub Seeker profiles will show further down the Available Subs list than Job Seekers who enter their specific subjects. To see more information about a Job Seeker on the Available Sub results, select 'View Profile'. Where the subjects required by the school match those in a Job Seekers profile, these are shown in **bold font**.

To find out more about a particular substitute teacher and/or to 'Make an Offer', select 'View Profile' for the relevant teacher. You can then view the substitute teacher's Experience, Qualifications, Subjects and other relevant information by selecting the relevant tabs.

The screenshot shows the 'Available Subs' section of the education posts.ie website. The main content area is titled 'Available Subs' and is divided into two sections: 'Post-Primary (1 available)' and 'Primary (3 available)'. The 'Post-Primary' section features a profile for Deirdre Brannigan, a retired teacher from Co. Cork, with a teaching council number of 129398. Her subjects are listed as English, French, and Irish/Gaeilge. A calendar shows her availability for Tuesday, November 19, and Wednesday, November 20. A 'View Profile' button is highlighted with a red arrow. Below the 'Post-Primary' section, there is a 'Modify Search' button and a 'No Suitable Subs' button. On the right side of the page, there are two advertisements: 'TEACH IN SCOTLAND OF ENGLAND' and 'NEXT STEPS I D A H O'.

I have a temporary vacancy for more than seven days. How can I find a substitute teacher for this?

To advertise substitute vacancies longer than seven days' duration, please use EducationPosts.ie.

How do I offer a substitute teaching position to a Job Seeker?

To make an offer, select 'View Profile' for the preferred Job Seeker, then select 'Send Offer Email'. The Job Seeker will be notified of your offer via Sub Seeker and also by email. The status of your offer will be updated on your Sub Seeker dashboard and you will also receive email notification when your offer has been accepted or declined.

To protect the accuracy and integrity of Sub Seeker information, it is essential that Job Advertisers send offer emails, and Job Seekers accept job offers through Sub Seeker. This also ensures Job Advertisers' search history is accurate.
