#### POST DETAILS

**Additional Information:**

The timetabled hours for the additional subject per week are flexible – typically we have been able to combine subjects so that the newly-appointed teacher is able to build their hours up to a level that provides them with full-time hours for the duration of the contract.

We are a highly successful school where students achieve academically and are given the opportunity to reach their potential. The school is part of a long tradition of Loreto Education in Ireland and is a very attractive place in which to teach.

In addition, as a Droichead-registered school, we are delighted to support the professional learning of newly qualified teachers during the induction phase, thus laying the foundations for subsequent professional growth and learning.

**Required Subject:** Gaeilge
