They are, first and foremost, a Catholic Multi-Academy Trust and aim to provide an outstanding faith based education. They place the life, teachings and person of Jesus Christ at the centre of everything they do. Jesus taught us to put children first:

"Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these." Matthew 19:14

Their priority is to ensure the very best Catholic Education for all young people in their community, whatever their circumstances. They will achieve this together, through a strategic approach to sharing best practice, effective challenge and support from a central standards and performance team and opportunities for high quality Continuing Professional

As St Irenaeus said, "The Glory of God is a human being fully alive." Their vision for their new Trust is that all of their children and young adults will be happy, safe and inspired to flourish spiritually, socially and academically so that they can "live life to the full".
