#### POST DETAILS

**Additional Information:** Please read the following carefully before applying:

North Wicklow Educate Together Secondary School is about to start its fourth academic year and is looking to expand its team of outstanding teachers as enrolment continues to rise. We will offer Transition Year for the first time this September.

NWETSS is an equality-based, voluntary secondary school under the sole patronage of Educate Together. As a growing school, there are an unusually high number of opportunities to lead learning and to help to develop school culture. Our rapidly increasing enrolment also means that promotional prospects are very good.

The post advertised here is a RPT contract for at least 12 hours. There is potential for this post to be combined with others or to be for a greater number of hours.

A willingness to become involved in co-curricular activities would be an advantage.

This post is subject to sanction by the Department of Education and Skills on the basis of increased enrolment so that a contract can only be signed at the start of the academic year and after the redeployment panel has been cleared.
