Teach in Sweden!

Cur sÃ©os:

Internationella Engelska Skolan will be visiting Dublin to recruit the very best teachers to start in our schools across Sweden in early August 2020. We are seeking primary and post-primary teachers to join our fantastic working environment.

We are looking for teachers with the following subjects for the 2020-21 school year and beyond:

- Art & Textiles
- English
- Home Economics
- Mathematics
- Music
- Physical Education
- Science
- Woodwork (Craft and design)

Internationella Engelska Skolan (IES) is a highly successful school group in Sweden with students receiving high grades and a diverse and energetic staff. We have around 27,000 students enrolled in our 37 schools across the country with approximately 2,900 members of staff. IES is non-selective and students do not pay fees to attend school. Our schools follow the Swedish national curriculum and are bilingual with 50% of teaching in Swedish and up to 50% in English.

IES provides an international and stimulating environment, where commitment, professionalism and the English language are common denominators. We work in an environment where teachers can teach and students can learn.

Applicants will be interviewed for vacancies across all of our schools in Sweden.

Shortlisted candidates will be contacted for an interview to be held in Dublin between Monday 17th and Thursday 20th February 2020.
