### POST DETAILS

**Title:**

Qualified International Early Years Teachers Wanted

**Description:**

With crystal clear waters, beautiful mountains and beaches across our amazing country, we offer great work life balance. Coupled with wonderful benefits, including relocation support, this is a great opportunity for you to experience life working as an ECE teacher in New Zealand! Opportunities are available nation wide so you can choose where you live and work.

ep.education has been a Ministry of Education preferred recruitment agent for more than two decades continuously - we have proven experience in successfully bringing teachers in offshore for more than 15 years, and in many different recruitment markets. We have established relationships with early learning centres in Auckland and Wellington, who have listed their vacancies with us and are looking to interview NOW!

We offer:

- Competitive salary
- An extensive support and guidance network
- Professional and personal development opportunities
- Our expert team work with you step by step to support your move. From securing a position that fits your skills and experience to apply for teacher registration and other required paperwork – we make your move stress free and easy.
- On the offer of a job, your employer can “sponsor” your work visa

The successful applicant will have:

- Qualifications comparable to a Level 7 New Zealand ECE or Primary teaching degree
- New Zealand teacher registration (or ability to gain)
- Fantastic interpersonal and communication skills
- Strong focus on positive guidance and learning through play
- Being adaptive and flexible with the role
- A ‘can-do’ and positive attitude

We are a strong team with a common goal – providing excellence in early childhood education. We do this by investing in our people, developing our structure, innovating, reflecting, and continuously improving the educational outcomes and experiences of our children, families and communities we serve.

You could be eligible for a \$3000 relocation grant from the New Zealand Ministry of Education if you take up an early childhood teaching position in New Zealand. Now is a great time to come and teach in New Zealand!
