SONRAÃ• AN PHOIST

Teideal:
Primary school teacher, recent graduate or student

Cur sÃos:
Seeking from Sept this year a teacher (or a recently graduated teacher or even a student currently completing a degree in education) to work for 2-3 hours each morning 4/5 days a week. This is a paid post.

There will be 8 children in this group between the ages of 7 and 9 years age. This would be in full compliance with all current public health guidance.

The teaching will happen in a dedicated large room in Harolds Cross Dublin 6W. The room is a very well circulated and directly accessible from the room is a private garden, furthermore the room has a toilet attached, that will just be for the sole use of the children in this group.

All these children currently attend school together and their existing school teacher will continue to set weekly school work throughout the 2020/21 year. So the teacher we are seeking here, is to augment the remote learning that will potentially need to happen in the 2020-21 school year.

The school the children currently attend is a gaelscoil, so someone with good gaeilge is a nice to have, but please know that this is not a requirement.

Thank you
