??????Our Philosophy:

At Beau Soleil, we believe it's what you do that counts. Whether you a member of our administration or support staff, a teacher or working in one of our boarding houses, we are a school that believes in the power of action, engagement and participation.

Students at Beau Soleil experience a unique holistic education which is built around four core values: Respect, Responsibility, Ambition and Determination. These values underpin all that we do, providing a strong moral compass to our diverse international community, which is made up of students from nearly sixty countries around the world.

Beau Soleil offers curricular programmes in both English and French, following the IMYC, IGCSE, IBDP (English and French) or High School Diploma. Students also participate in a world class programme of service learning, adventure and expeditions, designed to build their personal resilience, character and compassion. Our summer camp programme held in July gives campers the opportunity to gain an insight into an education at Beau Soleil.

Beau Soleil is a member of the Nord Anglia Education group of schools giving staff access to a worldwide network of schools, benefitting from the professional training opportunities of the world's leading premium schools organisation.
