Teideal:

Wizards of Words Programme Advisor

Cur sÃ©os:

Barnardos Ireland's Leading Children's Charity are seeking to recruit a Wizards of Words Project Worker Advisor.

The Advisor would ensure the smooth day-to-day operation of the WoW programme in designated schools across Dublin.

Ã© The Wizard of Words reading programme is an intergenerational paired reading programme whose purpose is to improve children's overall reading achievement. The programme is based on an evidence-based US model that pairs a child struggling to acquire reading skills with a mature adult who volunteers.

Ã© The adult volunteer reads to and with the child, offering them individual attention and encouragement. The programme recognises that the children benefit academically, while both the children and adults benefit socially from the relationships they develop.
