## Eolas Breise:

The second or third subject of the applicant will determine the hours we can offer but we always endeavour to offer contracts for 22 hours as we build our core team of teachers in our growing school.

Stepaside Educate Together Secondary School is a co-educational secondary school under Educate Together patronage. We are currently recruiting innovative, creative and collaborative teachers, passionate about their students and their subjects. Building of our new state of the art permanent school has begun on site and we look forward to moving into our new building before the end of the next academic year. Our rapidly increasing enrolment means that promotional prospects are excellent.

These positions represent a unique opportunity for teachers to develop their subjects in the school and to establish themselves professionally, with better than usual promotional prospects. If you want to join a hardworking and positive team with plenty of leadership opportunities we would love to hear from you.

As an equality-based school the culture is based on Kindness and Respect for all. Digital and 21st century learning and development are fundamental to how we learn and teach in SETSS. We are looking for qualified teachers at all stages in their career as well as those in the final year of their PME.

All positions will be subject to the sanction and conditions of the Department of Education & Skills and, in particular, no appointments will be made until permission has been received from the Director of Redeployment.
