POST DETAILS

Additional Information:

Jonix Educational Services has been working with young children diagnosed with an Autistic Spectrum Disorder (ASD) since 2002. We currently have 9 centres located throughout the Republic of Ireland. Jonix operate specialised pre-school classes that offer a unique and individualised learning experience for each child.

Our classes are small, highly structured and provide an effective early education setting. Each class consists of a maximum of 6 children. There is one Class Teacher in each class with 3 Tutors – this means a total of 4 qualified staff working with 6 children. As in all pre-schools, play and fun are encouraged and this is a vital part of any effective program. All the children receive 1:1 tuition and also work in group settings to encourage group participation and social interaction.

Children attending Jonix pre-schools can use the Home Tuition grant funded by the Department of Education. The Home Tuition grant is only available until a suitable school place becomes available, your SENO (Special Educational Needs Organiser) can provide you with further information about suitable school places for your child.

Qualifications Requirements:

Degree in a related area such as Montessori Education, Primary Education, Early Childcare and Education, Social Care, Psychology, Arts or other relevant Degree Only- all Level 8 and 9 eligible.

Experience with children or ABA experience desirable.

Must be eligible to register with the Teaching Council of Ireland. This is possible under the Further Education Section.
