Additional Information:

Foxfield is a special school under the patronage of St. Michael's House who caters for pupils from the ages of 4 - 18 who have a dual-diagnosis of Autism Spectrum Disorder and a Moderate to Severe General Learning Difficulty.

Foxfield Special School will be undergoing a phased expansion during this coming academic year and will be opening 4 additional classes. There will be a period of training/observation for SNAs prior to these additional classes opening. We are looking for SNAs who have experience, a willingness to learn, and an interest in supporting the educational needs of pupils with autism and additional complex needs. We are fortunate to have a very helpful and welcoming team of teachers and SNAs at Foxfield who work collaboratively towards supporting our pupils under the guidance of school management and an on-site Behaviour Analyst.
