Scoil Droichead:	TÃ©

SONRAÃ© AN PHOIST

Eolas Breise:

We invite applications for a teacher of Science with Physics or Chemistry and/or Applied Maths to join our dynamic team at Goatstown Educate Together Secondary School (Goatstown ETSS).

Goatstown ETSS is a rapidly growing secondary school currently based close to Dundrum and Churchtown. It is equality based, democratically run, student centred and co-educational community with a clear identity rooted in social justice, gender equality and with parity of esteem and equality of access for all learners.

The school opened in 2020 and Junior Cycle students in the school will sit their state examinations for the first time in June 2023. There will be significant scope for teachers to apply for API and APII positions during the first decade of the school's development.

If you would like to develop an already outstanding science department and to help to create a highly effective learning and teaching environment as the school moves towards developing its Transition Year and Leaving Certificate programmes then please apply as follows:

Applicants should apply by filling in the application form below which, depending on your browser, may need to be copied and pasted into your search bar:
<https://forms.office.com/e/Lqwe734w92>

There is an expectation that successful applicants will contribute to the school's extra and co-curricular programme.

Goatstown ETSS is currently based on Upper Churchtown Road which is convenient to the M50. The permanent site is located on the Irish Glass Bottle Recreation Site, Goatstown Road and planning permission has been granted for construction of our temporary building in 2024.

This position is available subject to the sanction and conditions of the Department of Education & Skills.Education & Skills.
