Blackrock Educate Together Secondary School is a new school which admitted its first cohort of first year students in September 2021. The new school is multi-denominational, co-educational, equality based, and student-centred.

This is a unique opportunity for teachers to work in a dynamic, democratic environment where innovative approaches to teaching, learning and assessment have been adopted. As well as being an environment where teachers will further develop their skills and knowledge of methodology and assessment, teachers will also have excellent leadership opportunities as Blackrock ETSS will need a committed team of teachers to assist in the development of policies, structures, and practices in the years ahead.

Blackrock Educate Together Secondary School is an equal opportunities employer. Canvassing will disqualify. Shortlisting may apply. The interviews for short-listed candidates will take place in late May/early June. The closing date for receipt of applications is Friday 12th May 2023 at 17.00. All appointments are subject to final approval by the Department of Education.

See <https://www.blackrocketss.ie/page/Recruitment/50095/Index.html> for further information.

A PDF or Word version of the completed application form should be emailed to admin@blackrocketss.ie. CVs and letters of application should not be emailed. Only the required application form should be emailed.
