##### Additional Information:

Little Moo Moos Early Intervention Playschool, Co. Dublin is currently seeking an additional ABA tutor to add to our diverse professional team. Awarded by Early Childhood Ireland for our unique Inclusion policy we provide individualised support where needed and we utilise our unique model in doing so. Our purpose-built playschool offers a wonderful play-based environment where children can grow and develop at their own pace. Our multi-disciplinary team includes a BCBA, ABA trained tutors, Early childhood educated teachers, Resource teachers and Montessori trained professionals. We also facilitate access to a Speech and Language therapist on site.

Little Moo Moos is primarily an Inclusive Play school which has developed a system whereby children can receive 1:1 support and teaching from an ABA tutor for a portion of their school day as a member of a mainstream class as opposed to attending an autism specific unit.

This role would also be a good opportunity for a Montessori or Early Years professional to expand their experience and try a new role. Full training would be provided.

Training and supervision are provided on site by a BCBA. Competitive salary.

We are seeking an ABA Tutor to join our team. The role will involve the following responsibilities:

The successful applicant will be required to work a paid 25–35-hour week (with some flexibility) and will be given a fixed term contract. The role would be a great opportunity for an ABA professional looking to further their skills and broaden their experience. Teaching council number needed. A letter of eligibility to practice will be required which is provided by the DCEDIY. Full clean driving licence essential and car ownership required as we are not served by public transport. A high level of proficiency of the English language is needed.
