SCHOOL INFORMATION
SCHOOL HISTORY

Oakley College opened in 1989 as a nursery school accommodating 30 children. Over the last 33 years, we have developed to accommodate 550 students between the ages of 2 and 18. The school is privately owned and fully authorised by NABSS (The National Association of British schools in Spain), the Spanish government and one of only 4% of British International schools around the world to be fully authorised as a BSO (British School Overseas) school by the DFE (Department for Education in the UK).

The school continues to develop and grow and in 2018-19 we opened our new Oakley Park, a 5000m² sports, natural and recreational area serving the school community. In January 2020 we opened our new Infant school building, adjacent to the Primary and secondary site.

Oakley College has been recognised as one of the top 100 schools in Spain by the El Mundo newspaper and has been selected for the last 12 years (2011-2023) as one of the top 20 International schools in the Spain.
