iScoil Mentor

iScoil is an award-winning education organisation that offers learning opportunities and accreditation to young people, aged 13-16, who are not in mainstream education. Young people are referred by TESS (Tusla Education Support Service). Since 2009, with the support of the Presentation Sisters, iScoil has been at the forefront of designing and implementing a range of innovative learner-centred programmes informed by research and evidence-based practice.

We have entered a time of great opportunity both globally and nationally to re-imagine and redesign approaches to learning. We believe that all young people should be able to access opportunities that support them to build the skills and confidence they need to develop a mindset of lifelong learning.

iScoil has pioneered new approaches to digital learning, teaching, and assessment, and the CEO and Board are keen to continue this ethos of development into the future. We are looking for people to join our team who are committed to engaging the minds and creativity of young people through innovative online and blended learning.

iScoil aims to:

- Engage young people in learning
- Build confidence and self-esteem
- Offer accreditation opportunities
- Support progression to further education and employment
