POST DETAILS

Panel of Applicants:

An internal panel of suitable applicants may be set up to fill vacancies which may occur within a specific time period (four months for teacher posts and the duration of the school year for SNA posts) from the date on which the Board approves the successful candidate.

Additional Information:

Greystones Educate Together National School is a warm and welcoming environment. We have 18 mainstream classes and 2 special classes for children with Autism. This position starts on the 4th of February. This is an above SERC position. When a student's identified primary care needs require access to additional SNA support, an exceptional additional SNA post may be sanctioned. This is the case in respect of one of our students in our Special Setting. Unlike the special class SNAs, which are allocated based solely on enrolment figures, this additional post is subject to ongoing review.

The successful applicant will hold relevant SNA/ANA qualifications and a commitment to the Educate Together ethos. Experience working with primary school aged children with a range of care needs would be of benefit. The successful applicant will be working within a supportive and dynamic team of professionals, and will become a very welcome member of our school community
