Knowledge of the language of the country in the place of employment is particularly desirable. Applicants are requested to indicate their general level of spoken competence in their chosen language as per the Common European Framework of Reference for Languages (CEFR).

For appointment to a European School, a basic spoken competence in the candidate's selected language is usually expected. However, if a candidate excels in every other respect at interview and commits to learning a vehicular or the host country language during their secondment to the school, that will be looked upon favourably.

Salary, allowances, pension and secondment term:
Teachers receive a salary paid by the Department of Education that is pensionable under the Teachers' Pension Scheme. A European salary paid by the European Schools supplements this.
