#### POST DETAILS

**Additional Information:**

Galway Educate Together Secondary School is a developing voluntary secondary school in Galway City.

As a developing school with an increase in enrolment each year, we are in search of teachers in many subject areas. This post may be combined with another subject or Learning Support. Please specify any other subjects/short courses that you are qualified to teach on the application form.

In Galway ETSS, everyone is addressed by first name, there is no school uniform. We promote excellence in education, inclusion, innovation and restorative practice. We encourage CPD and support teachers to lead projects they are passionate about. As a growing school, there are an unusually high number of opportunities to lead learning and to help to develop school culture.

We encourage a cross-curricular approach, where team-teaching, peer observation and collaboration are an integral part of our culture. Our students and teachers use iPads and a virtual learning environment – Office 365, to enhance learning. Teachers create their own resources for their students. We are committed to very high standards and expectations in terms of our learning and teaching.

As an Educate Together Secondary School we are guided by the Educate Together Blueprint for Second Level Schools. This can be found at <https://www.educatetogether.ie/sites/default/files/blueprint-final.pdf>

This post is subject to sanction by the Department of Education on the basis of increased enrolment, a contract can only be signed at the start of the academic year and after the redeployment panel has been cleared.

To apply for a post, please complete the online application form. The link can be found here : <https://galwayetss.ie/vacancies/>

**Required Subject:** Science
