Additional Information:

Stewarts School is a special school catering for students with moderate, severe and profound intellectual disability aged 5 -18 years. All students have complex needs and many students are autistic. Students engage in either the primary or post-primary curriculum, with the post-primary aged students engaging in Junior or Senior Cycle Level 1 Programmes.

The school has been specifically developed to meet the complex learning needs of its community and features purpose-built classrooms, sensory areas, dedicated meeting rooms, Home Economics and Music rooms, PE hall, library, outdoor play areas and a student canteen area.

The successful candidate must be able to work as part of a team in a fast-paced environment. Experience with autistic students is desirable. Knowledge and experience of alternative communication systems and positive behaviour/regulation strategies is an advantage. CPD and training will be provided as needed.

The school participates in the Droichead Programme. As the school offers primary and second level programmes all applicants appropriately registered with the Teaching Council under Route 1 (primary), Route 2 (post primary) and Route 4 (Other) are eligible for consideration.
