Eolas Breise:

Leixlip Educate Together National School is a newly established and rapidly developing primary school. We first opened our doors to eleven Junior Infants in 2019. Since then, we have grown steadily and, by September 2025, we expect to have approximately 210 pupils from Junior Infants to Sixth Class.

We are a vibrant, inclusive, creative and child-centred school with a strong focus on wellbeing. We are proud to have begun our journey as a Nurture School this year, and will also open our first autism class in September 2025.

We are currently seeking four permanent teachers who are enthusiastic about the opportunity to be part of a dynamic and evolving school community. We are looking for teachers who will be excited to join a developing school and who are eager to contribute to its continued growth and success.

We welcome applications from committed and caring professionals who demonstrate leadership, adaptability, positivity, initiative and creativity. A genuine understanding of, and commitment to the Educate Together ethos is essential.

We are particularly interested in hearing from candidates who bring a range of interests and talents to their work and who value inclusive, child-centred approaches to teaching and learning.

As a Droichead school, we also welcome applications from Newly Qualified Teachers.

The successful candidates will join a dedicated and supportive team of 15 teachers and 8 Additional Needs Assistants (ANAs), many of whom have joined in recent years as our school has grown.
