Eolas Breise:

We invite applications from teachers who are interested in working in our school, a diverse DEIS Band 1 school in the centre of Dublin. Last year, we changed from Catholic patronage to Educate Together patronage so you would be joining us at an exciting time for our school community.

Most of our children speak English as an additional language. We place great emphasis on the importance of children's home languages and teachers are encouraged to promote linguistic diversity and provide opportunities for children to use their languages in the classroom. We also have a significant number of children who have additional learning needs and who need carefully personalised learning opportunities. We are looking for teachers who can be flexible and responsive to the needs of the children and the school.

We are a restorative school and positive relationships are at the heart of all we do.

We offer the Droichead process and newly qualified teachers will be well-supported by our team. We are also looking for experienced teachers who want to develop their leadership skills â?? there are lots of opportunities for teachers at all levels to lead an area of interest.

Our staff team is friendly and welcoming, supporting one another, sharing good practice and working together to ensure the best possible outcomes for all of our children. We are looking for

someone who is energetic, innovative and enthusiastic and can contribute to our team, working on their own initiative and willing to go the extra mile.

You will learn lots about our school on our website. Applicants should be clear and specific in their cover letter about why they have chosen to apply to our school.

We have one full-time, fixed-term role available with initial duties in support teaching.
