Eolas Breise:

Galway Educate Together Secondary School is a developing voluntary secondary school in Galway City.

We are looking for a teacher of Maths, Science and Biology. This is a 22 hour post starting November 3rd, for the remainder of the school year.

In Galway ETSS, everyone is addressed by first name, there is no school uniform. We promote excellence in education, inclusion, innovation and restorative practice. We encourage CPD and support teachers to lead projects they are passionate about. As a growing school, there are an unusually high number of opportunities to lead learning and to help to develop school culture.

We encourage a cross-curricular approach, where team-teaching, peer observation and collaboration are an integral part of our culture. Our students and teachers use iPads and a virtual learning environment â?? Office 365, to enhance learning. Teachers create their own resources for their students. We are committed to very high standards and expectations in terms of our learning and teaching.

As an Educate Together Secondary School we are guided by the Educate Together Blueprint for Second Level Schools. This can be found at <https://www.educatetogether.ie/sites/default/files/blueprint-final.pdf>
