Eolas Breise:

The Muslim National School is committed to the highest standards in teaching and learning. At all times the child is central to the educational process. Every effort is made, with the cooperation of parents, to help each child to reach his/her full potential. We believe that cooperation, courtesy and good manners are essential for an effective school and for the educational development of our pupils. We present an opportunity for the right candidate to progress their career and become a key staff member in what is a happy school.

We welcome applications from experienced and newly qualified teachers. We have an established Professional Support Team and are very open to supporting newly qualified teachers through the Droichead process. We offer considerable opportunities for ongoing professional development through both in-school mentoring and external training.

The school shares a beautiful campus with the Islamic Cultural Centre of Ireland and backs into the grounds of UCD with its excellent transportation links.

We kindly request that all documentation is submitted in pdf format.
