Title:
ISL Specialist Classroom Support (ISL-SCS)

Description:

The primary education provider in a recognised classroom is the class teacher, who is qualified and registered with the Teaching Council. The NCSE provides a range of teaching and specialist supports to help ensure that students can access the curriculum and participate in school life and achieve good outcomes. In relation to students who are Deaf or Hard of Hearing (D/HH), additional teaching and care supports are provided depending on the level of need of each child.

The Council is now seeking suitably qualified candidates to apply for the role of ISL-SCS to consistently convey the spirit and content of the communication occurring in the classroom and to enhance active engagement with learning and participation in school life for those students whose primary means of communication and language is ISL.

The role of ISL-SCS is to provide intensive in-class communication support for individual students who use Irish Sign Language (ISL) as their primary means of language and communication. Students can avail of an ISL SCS support if they meet the criteria under Circular 0072/2025.
