Looking for homeschool teacher/tutor for 3 teens  
**Description:**  
Hello!

We are an American family who moved to Ireland recently. Our three kids 17, 13 and 13 need help with continuing their education.

We are looking for someone who can work with our kids to plan their learning, teach, enrich and support them in their learning journey.

We can be flexible on hours - initially thinking about 3 hours per day, but very open to discussion. We fully support field trips and getting out into the world.

Let's discuss our needs and yours and see if we have a match.
