Eolas Breise:

Stepaside ETSS are seeking a Special/Additional Educational Needs teacher. This role consists of teaching in An CroÃ©, our classes for students with Autism. Stepaside Educate Together Secondary School is a co-educational secondary school under Educate Together patronage. We are currently recruiting innovative, creative and collaborative teachers, passionate about their students and their subjects.

Our increasing enrolment also means that promotional prospects on offer in SETSS are excellent. These positions represent a unique opportunity for teachers to develop their subjects in the school and to establish themselves professionally. If you want to join a hardworking and positive team with opportunities to develop your leadership qualities, we would love to hear from you.

As an equality-based school, the culture is based on Kindness and Respect for all. Digital and 21st century learning and development are fundamental to how we learn and teach in SETSS. We are looking for qualified teachers at all stages in their career as well as those in the final year of their PME.

All positions will be subject to the sanction and conditions of the Department of Education & Skills and, in particular, no appointments will be made until permission has been received from the Director of Redeployment. The second or third subject of the applicant will determine the hours we can offer but we always endeavour to offer contracts for 22 hours as we build our core team of teachers in our growing school.

If you would like to know more about Stepaside ETSS, please click on the further information link below for our extremely positive WSE-MLL report from March 2024.

Candidates must already hold a valid work permit for Ireland; we are unable to provide sponsorship.
