**Additional Information:**

Galway Educate Together Secondary School is a developing voluntary secondary school in Galway City Centre.

In Galway ETSS, we are student centred, promoting excellence in education, inclusion and innovation. This work is underpinned by our culture of building positive relationships. We encourage CPD for our staff and support teachers to lead projects they are passionate about. As a growing school, there are an unusually high number of opportunities to lead learning and to help to develop school culture.

We encourage a cross-curricular approach, where team-teaching, peer observation and collaboration are an integral part of our culture. Our students and teachers use iPads and a virtual learning environment – Office 365, to enhance learning. Teachers create their own resources for their students. We are committed to very high standards and expectations in terms of our learning and teaching.

As an Educate Together Secondary School we are guided by the Educate Together Blueprint for Second Level Schools. This can be found at <https://www.educatetogether.ie/sites/default/files/blueprint-final.pdf>
