Grace Park ETNS is a welcoming and inclusive school located in Drumcondra, Dublin 9. Our school has 16 mainstream classes and 4 autism classes. We value flexible team members who are willing to collaborate with their colleagues to provide a safe and happy learning and teaching environment for all.

We welcome applications from experienced ANAs who are excited to work with children with additional needs in our mainstream and our Autism Classes. Interested candidates must be familiar with the NCSE Relate document.

It would be very desirable for candidates to understand the DEY Behaviours of Concern document and who are trained in Relate, CPI and trauma informed education.

The successful candidates must be willing to engage in professional learning to enhance their role.

Our school values all team members equally and Additional Needs Assistants are an integral part of the school community. In our school, a key role of the ANA is to promote independence in the children with whom they are working.

Interviews will take place on 26 June.
