Additional Information:

The Board of Management of South Lee Educate Together National School is delighted to invite applications for two projected enrolment posts. South Lee Educate Together National School opened in September 2019 and operates under the patronage of Educate Together. We are a rapidly developing mainstream primary school, catering from Junior Infants to 6th Class, and will reach full class provision for the first time in the 2026/27 school year with the introduction of our first 6th Class.

The school is currently based in temporary accommodation on the grounds of Cork College of Further Education, Tramore Road Campus.

We are a Nurturing School and place a strong emphasis on fostering a positive, inclusive school culture. We currently have a team of 12 teaching staff and are proud of the supportive and collaborative environment we have built.

South Lee ETNS is a vibrant and inclusive school community. Our vision is for every child to learn in a positive, safe, inclusive, democratic, co-educational setting that supports each child in recognising their strengths and achieving their full potential, while also preparing them to become caring and active members of a diverse society.

As a developing school, a high degree of flexibility is essential, along with a willingness to contribute to the ongoing growth and development of the school.

Please note that these projected enrolment posts are sanctioned on a fixed-term basis for September and October only. Following confirmation of enrolment numbers on 30th September, there may be potential for these posts to be extended or made permanent, subject to Department of Education approval and recruitment processes.
