##### Additional Information:

Rathcoole ETNS is a developing, inclusive and child-centred school where relationships, wellbeing and learning go hand in hand. We are a nurture-focused, trauma-informed and regulation-first school that prioritises creating a safe, supportive environment where every child can thrive.

We believe in learning that is meaningful, active and connected to the world around us. We are passionate about outdoor learning, inquiry-based approaches and hands-on experiences, moving beyond traditional approaches with no reliance on textbooks — instead, we encourage creativity, curiosity and engagement.

Our school community embraces restorative practices, positive relationships and a whole-school approach to supporting children's emotional and social development. As a growing school, we are excited to welcome teachers who are enthusiastic, reflective and eager to help shape our future.

We are currently seeking Upper School Teachers to join our team, with posts available for 3rd and 5th class. We are looking for teachers who love active learning, collaboration and innovative teaching, and who share our commitment to nurturing confident, capable and connected learners.

If you are passionate about creating a positive, progressive school experience and want to be part of a vibrant developing community, we would love to hear from you.
