Online Leaving Certificate Tutors (Qualified Post-Primary Teachers)

Remote | Evening Hours | 1:1 & Small Group Tutoring

At jumpAgrade, we believe potential is everywhere, but opportunity is not.

Every year, we support Leaving Certificate students from underserved backgrounds with free online tutoring and mentoring. Many of our students have the ability to succeed but lack access to the support, encouragement and confidence they need to reach their potential.

We're looking for qualified post-primary teachers who want to make a genuine difference. This is more than delivering lessons – it's about building relationships, encouraging students, helping them believe in themselves, and showing them that success is within their reach.

You'll work with students online in one-to-one and small group sessions during the academic year (October - May), helping them develop both the knowledge and the confidence to achieve their goals.

We are currently recruiting teachers in HL Leaving Cert subjects including: Maths, Biology, Physics, Chemistry, Gaelige, English with hours/subjects based on funding and student demand.
